Amilla Maldives Resort & Residences awarded Worldwide Kids Accreditation

From coconut painting to a child friendly marine life programme, the Sultan's Village Kids' Club is full of unique experiences for little adventurers.

Worldwide Kids are delighted to announce their latest addition to the Worldwide Kids Accredited Resorts Portfolio. Amilla Maldives Resort & Residences provide a truly remarkable family and childcare offer in a naturally lush private island paradise.

Situated near the UNESCO Biosphere Reserve Baa Atoll, the five-star luxury resort is a contemporary beach hideaway for the whole family. At the Sultan's Village Kids' Club, young Amilla adventurers are welcome to participate in a fun packed activity programme, encouraging children to explore and learn through play. Nature hunts, photography and art sessions, an interactive marine biology experience and coconut painting workshops are just a few of the experiences that are on offer.

The Kids' Club team has successfully passed the City & Guilds accredited *Worldwide Kids International Childcare for Leisure and Tourism Tier 1* training course – introducing childcare team members to the fundamental safety and operational considerations of working with children within a luxury environment. The kids village and outdoor play area meet Worldwide Kids safety standards and provide an inclusive space to create unforgettable moments for Amilla's little VIP's.
