

Atlantis, The Palm awarded Worldwide Kids Accreditation

Worldwide Kids awards Atlantis, The Palm with its independent seal of excellence for safe and professional childcare.

Worldwide Kids has this month announced the newest addition to its Accredited luxury resorts portfolio, as the iconic Atlantis, The Palm Dubai. Worldwide Kids Accreditation is awarded to luxury resorts who meet international childcare training and health and safety standards and continue to demonstrate their commitment to enhancing the experience of their families and little guests.

The 1,544-room ocean-themed destination resort offers a plethora of one of a kind experiences for their youngest guests. From exciting academies to professional childcare, it is not surprising that the large-scale luxury resort is rated as one of the most prestigious 5-star family properties globally.

The Atlantis Explorers Kids Club offers a welcoming space for children aged four to 12 years, inspired by the ocean-themed architectural and design elements of the resort. The facility is divided into four separate zones; a play zone, creation zone, command centre and underwater theatre, where children have the opportunity to get up close with real-life marine animals. It is a real luxury and fantasy haven for children, offering a wide variety of activities and experiences. From recycled arts projects and cooking classes, to magic science experiments or a visit to The Lost Chambers, Dubai's most immersive aquarium. All childcare facilities at Atlantis, The Palm have undergone a comprehensive audit by Worldwide Kids, successfully demonstrating their high safety standards.

Not forgetting the teenagers, who have their own personal hang-out space at The Zone. Designed exclusively for children aged 13 to 17, The Zone provides a space for teenagers where they can chill, play, dance and connect with peers.

The childcare team at Atlantis, The Palm are focused on offering the very best service to families and children, by consistently developing their knowledge and skills. Each member of the team has been enrolled in Worldwide Kids' accredited training programme.

The 'International Childcare for Leisure and Tourism' courses are designed specifically for the luxury hospitality sector, to support staff in creating safe, professional, and accessible experiences for children. The three-tier training programme is accredited by City & Guilds, the globally recognised quality benchmark for bespoke training programmes.

With the senior team now working towards their Tier 2 qualification, their dedication towards offering a service families can feel confident in continues.

Worldwide Kids is continuously strengthening its partnership with Kerzner International, the owner of Atlantis Resort and Residences and One&Only Resorts brands worldwide. The company puts their trust in Worldwide Kids training and consultancy services every year.
